FROM THE PASTOR...

MOST HOLY BODY AND BLOOD OF CHRIST

THE SACRED HEART IS THE HOLY EUCHARIST

With Corpus Christi this weekend, and our patronal Feast of the Sacred Heart next weekend, I think it is only fitting to make the equation that the Sacred Heart is the Holy Eucharist. The Sacred Heart signifies Christ's love in three ways: *God is love, God is loving, and God loves with human feeling.*

God is love. The Sacred Heart symbolizes the love that is God. From all eternity, God is love, for he is a Divine Community and not a single person. The essence of love is to give, and within the Trinity, each of the three Divine Persons from all eternity shares the divine nature that each one possesses. Each share with the other the fullness of what each one not only has, but of what each one is.

God is loving. God is loving not only by bringing us into being, but by bringing us into being as creatures who are capable of love. God could have made us insects or animals or trees or lofty mountains, but these cannot think and love. When this loving God chose to create other beings, it was only because He is loving that He wanted to share what He as God had from all eternity (love) with beings who would not even exist without His love. From the moment of creation and into the endless reaches of eternity, God will continue loving us. If He were to cease loving us, we would cease to exist! God manifested His love by bringing us into existence and making us creatures who are capable of love.

But God also manifested His love by becoming one of us, and having become one of us, He has remained and will be for all eternity one of us. It is no exaggeration to say that the Sacred Heart is the Holy Eucharist. The Eucharist is the same Infinite Love who is God and who out of love for us became man and is here on earth. When we receive Him, that same God is within us. Love wants us to be intimate. Love wants us to be near. Love wants us to be close to the one whom it loves. The Holy Eucharist is divine genius!

God loves with human feeling. *The third meaning which the Church gives to the Sacred Heart as symbolizing God's love is that God loves not only as God but also as the God-man with human feeling, human emotion, human sensibility, and human sensitivity.* We creatures of feeling, emotion and sensitivity need to hear this. God in the Holy Eucharist is man indeed, but with all the supreme sensitivity. Christ in the Blessed Sacrament is a sensitive Christ. He feels. St Margaret Mary tells us that Christ in the Eucharist senses in a way we as hypersensitive human beings can understand. When Christ came to earth, He did not leave His Heart in Heaven.

As I put my pen to rest as pastor, I wish to thank most sincerely the Sacred Heart in the Eucharist and in His People for the love that I have experienced in the Parishes, in the School, in the Staff and I am amazed and struck with awe how wonderfully he has worked in our midst these (almost) six years. I am sure I write on behalf of Deacon Dick Kelley and Father Zilverberg, in thanking you for the many signs of support and encouragement while serving you. And as we welcome your new Pastor, Father Shane Stevens and Associate Pastor, Father Shaun Haggerty may you abundantly be blessed!
Father Ed Pierce
